

# Policy Library

Save. Streamline. Be Compliant.

**MCN's Policy Library is the most efficient way to develop new policies or update existing policies and procedures. It is the only healthcare policy and procedure template library available.**

MCN's policies and procedures are written for hospitals, critical access hospitals, behavioral health, ambulatory services, ambulatory surgical centers, long term care, home health, hospice, medical offices, and rural health clinics.

Backed by more than 33 years of direct healthcare experience, MCN's Policy Library and Policy Manager empowers healthcare organizations to stay compliant with regulatory and accreditation requirements. The result—enhanced patient care and outcomes.

**Policy Library is only available with MCN Healthcare's Policy Management Software.**
